THE SENIORS OF 1983 DEDICATE THIS YEARBOOK TO OUR PARENTS...

First, we thank God for parents like you,
For all the trials you've seen us through.
We think of times we caused you pain,
But you, well, you didn't complain.
For food and clothes, love and care,
But in mistakes you were always fair.
We've had a lot of things we shouldn't have had,
But still you didn't consider us bad.
Thanks for taking us to church
And sending us to school,
Although we didn't always abide by your rules.
Your talks have always been on our minds
And from our consciences we couldn't hide.
You've always been devoted to us,
And all your happiness we long to see.
